

# HISTORIC WINTON

26<sup>TH</sup> & 27<sup>TH</sup> May 2007

## ... CAR CLUB INVITATION ...

Dear Car Club Secretary,

The Austin Seven Club cordially invites you and your members to join us at this years 31<sup>st</sup> Historic Winton to be held at Winton Motor Raceway on 26<sup>th</sup> & 27<sup>th</sup> of May.

One of the traditional highlights of our meeting is the wonderful display put on by Car and Motorcycle Clubs in our **SPECIAL INTEREST CAR PARK**. We invite all classic car and motorbike owners to join us.

Our unique display car park will again be increased in size this year in anticipation of a record attendance. This will allow us to ensure that adequate parking area is set aside for car club displays. The best policy is for groups to arrive early, assemble outside the circuit and enter all together. Winton Motor Raceway is 10 Km north of Benalla on the Old Hume Highway and an accommodation list can be downloaded from our website

Many clubs take the opportunity to make our event their destination for a weekend run or as a focal point for their own special event. **This year we have extended our activities to include a Benalla and District Classic Car and Motorbike Rally on Thursday April 24<sup>th</sup> ..... and a static display of Classic Vehicles and Race Cars in Benalla , outside the Civic Centre , on Friday afternoon May 25<sup>th</sup>.** See our website for further details. Our posters are also on our website if you wish to download them to include in your club magazine.

To assist us to plan our parking for the meeting we would appreciate if you are able to advise us of your clubs intended participation in advance. (contact details are listed below)

One of the features for this year's meeting will be a large group of outstanding "Great Aussie Specials" and we will showcase, on the track, some of the most significant locally built vehicles in Australian motor racing history. These vehicles will also be on display in the pit area.

**Also watch out for our Historic Ford versus Historic Holden Touring Car feature on Sunday 27<sup>th</sup> .**

As usual we will be conducting 46 events covering all historic groups from pre-war to 1984, including 18 motorbike and side car races. We expect around 300 cars and 110 bikes to compete over the weekend.

We look forward to seeing you at our meeting. Again we will present awards for cars and motorcycles that are of extra special interest. Please listen for your car or bike to be announced mid afternoon on the Sunday.
