

WELCOME TO 2008 HISTORIC WINTON

Dear Driver

Welcome to the 32nd Historic Winton. Your entry has been provisionally accepted and we enclose your entry passes, competitor entry list, tender vehicle pass, map of the paddock, further regulations and the proposed program of events.

Please note sign on procedures for both drivers and pit crew plus the times for special drivers briefings. This year there will be THREE separate drivers' briefings which will be held at the wheel alignment bay behind the fuel depot. We will also again be conducting two different methods of scrutineering at this years meeting and it is important that you take particular notice of our special arrangements. See Further Supp Regs .. Clause 4

ALL VEHICLES MUST BE SAFETY CHECKED ON BOTH DAYS BEFORE ENTERING THE TRACK

There is now a limited amount of marquee space in the competition paddock available for hire at \$130 per car spot. Payment prior to the meeting . Contact Stuart Krug 0412 389 227

Also in order to alleviate overcrowding in the competition paddock area, all trailers and tender vehicles must be removed to the designated parking areas. Large trucks and transporters can only be located in the area behind the new garages at the bottom of the track. There will be no exception to this. Any vehicles parked in NO STANDING areas . which includes the access roadway running beside the competition paddock will be removed at your expense

We hope that you enjoy your weekend and do not forget the traditional sausage sizzle and trophy presentation immediately after the last event on Sunday afternoon

Many thanks once again for your continued support and we look forward to seeing you again next year at the 33rd Historic Winton where " Our cars are the stars "

Noel Wilcox
Race Secretary

32nd HISTORIC WINTON – 24th & 25th MAY 2008

Further Regulations

(To be read in conjunction with the Supplementary Regulations as issued)

CAMS PERMIT No: 808 / 2505 / 01

Clerk of Course	-	Daryl McHugh
Asst. Clerk of Course	-	Graeme Logan , Alan Loughran, Ken Innes Irons, Len Kerwood
Organising Committee	-	Noel Wilcox, Tony Colson, Helen Shegog, Peter Langford Stuart Krug, John Kessner, Lyn Belcher, Paul Grey, Michael Belcher, Robert Humphreys, Graeme Steinfort, Peter Sortwell
Secretary of the Meeting	-	Noel Wilcox (CAMS Official 9724292) (03) 9318 5000 Bus (03) 5428 2689 Home
Entry Secretary	-	Tony Colson (03) 9584 1840 0408 530 517
Drivers Liaison Officer	-	Brian Kays
Safety Officer	-	Michael Shegog
Compliance Checker	-	Michael Shegog
Medical Officer	-	David Kingsbury
Stewards	-	Stuart Allen, Peter Rosier, David Bellenger
Judges of fact	-	Ken Innes Irons , Belinda Doyle, Daryl McHugh , Alan Loughran

- 1. Time Table** – The time table for the weekend is enclosed. Read it carefully and specially note the three separate driver briefing times and new location. The listed event times are approx only and the organiser reserves the right to amend event start times during the meeting. This may be necessary to ensure that all scheduled events are completed satisfactory. It is the drivers responsibility to listen for announcements and monitor the running of the program to ensure that they are in the pre grid at an appropriate time, as the event may start without them.
- 2. Tender Vehicle Pass** - Each competitor will be issued with one tender vehicle pass only which must be affixed to vehicle windscreen before entry to paddock area.

NO TENDER VEHICLE PASS = NO ENTRY TO PADDOCK

- 3. Sign on for Drivers** - Drivers must complete documentation check at the Secretary's office prior to scrutineering.

You must present your CAMS vehicle log book (if applicable), CAMS license, CAMS affiliated club membership card - plus CAMS Competitor license if the competitor is not the driver. (The competitor is the owner as recorded in the vehicle log book). ALL drivers must have also previously submitted a completed copy of the NCR 144 declaration form with their entry form.

Document check will be conducted on Friday afternoon from 2.00 pm till 5.00 pm and also on Saturday morning from 7.30 am.

When documentation is satisfactorily completed a "scrutineering slip" will be issued. This slip must be presented to the scrutineers before they begin the vehicle scrutiny inspection.

4. **Scrutiny.** There will be two forms of Scrutiny at this years meeting
- (1) **Targeted Scrutiny** - This is for vehicles which are already under the targeted scrutiny program. Drivers of such vehicles must bring evidence of pre-race inspection to the meeting. All targeted scrutiny vehicles will have a safety check on both days of the event prior to entering the track for the first time on each day of the event. Safety checks will be conducted "on site" i.e, where the individual vehicles are located within the paddock area. This will be done by roving teams of scrutineers
 - (2) **Normal Scrutiny** - This is for all vehicles which are not part of the targeted scrutiny program and these vehicles will be scrutineered on both days at the normal scrutiny bay. Please see proposed program for list of scrutiny times for each group.

ALL VEHICLES MUST BE SAFETY CHECKED ON BOTH DAYS PRIOR TO ENTERING THE TRACK

5. **Certificate of Description** - Certificate of description in most instances is not required at sign on. However, you must have your certificate of description available upon request. CAMS eligibility officers have indicated that they will attend our meeting for spot checks.
6. **Drivers Briefing** – Please note there will be three separate drivers briefings at this year’s meeting which will be held in the wheel alignment bay located near the BP fuel depot. See proposed program for times and groups. Attendance and sign on by all drivers is compulsory. Drivers who fail to attend and sign-on at the drivers briefing will be referred to the Stewards of the Meeting.
7. **False Starts** – Any competitor deemed to have jumped the start will have a time penalty applied to their results.
8. **Starting Procedures Scratch Races** - (In accordance with the Race Meeting Standing Regulations). All cars after leaving the pre grid area, will complete one warm up lap, holding their positions. Races will be started from a grid start, the grid positions being determined by practice and previous event times with the fastest on the right hand side of the front row of the grid, the next fastest on the left of the front row, and so on. A 2 x 2 single grid off set spacing will be used. In all events vehicles will be required to be stationary, with the engine running and shall not move forward until the starting signal (National Flag) is given by the Starting Official (standing starts). Practice starts and or tyre warming are not permitted.
Should the engine or other component of a competing vehicle not be functioning after the one minute board is raised, the driver should remain in his car with one arm raised to full extent until after the start. All competitors should exercise extreme caution when the race commences. Push starting a vehicle during an event may only be carried out by the officials of the meeting and then only if such officials are able to do so without prejudice to their duties or safety.
9. **Starting Procedures Handicap Races** - All cars after leaving the pre grid area, will be directed to their grid position by the grid officials, without a warm up lap. The format of the grid is not the standard format as used for scratch races, so careful attention should be paid to the Grid Officials. The starting official will flag away competitors from their grid positions in accordance with their handicap calculated by the handicapper. It may be necessary, for safety reasons, to give limit-markers a credit lap.
Should the engine or other component of a competing vehicle not be functioning after the one minute board is raised, the driver should remain in his car with one arm raised to full extent until after the start. All competitors should exercise extreme caution when the race commences. Push starting a vehicle during an event may only be carried out by the officials of the meeting and then only if such officials are able to do so without prejudice to their duties or safety.
10. **Red Flag** – During the meeting it may be necessary to display the red flag if an unsafe condition arises. Drivers may also contribute to unnecessary red flags by inappropriate conduct when shown a yellow flag. When a red flag is shown all drivers should follow normal procedures (as per the CAMS manual) and proceed to pit lane and await further instructions. Due to the short duration of the events at this meeting the following procedures will be followed.
If the event duration is 5 laps and the leading vehicle has completed 3 laps the race will be declared.
If the event duration is 8 laps and the leading vehicle has completed 5 laps the race will be declared.
In all other situations the race will be rerun and restarted with the original grid positions, time permitting. The organiser reserves the right to reschedule the event to ensure the smooth running of the meeting.

11. **Retiring Vehicles** - Any vehicle wishing to retire from practice or competition must preferably do so via circuit exit at the end of the back straight.
12. **SAFETY CAR**
The Clerk of Course may deploy the safety car for the warm up laps, to reduce time lost recovering vehicles. All drivers are reminded that service vehicles and / or officials may be on the track and are required to follow safety car procedures (as per the CAMS manual).
13. **ANY REQUIRED GROUPS [T B A]**
Drivers may be required to attend a special briefing by the Clerk of Course in relation to starting procedures for your events. This would be held at the end of the designated drivers briefing time.
14. **Progressive Grids** - All categories will be running progressive grids at this year's meeting. Please pay particular attention to grid sheets which will be posted on notice board outside sign on office.
15. **Withdrawals** - Competitors withdrawing their vehicles from further competition in the meeting are requested to immediately notify the race control official at the Secretary's office to this effect.
16. **Recovery** - If your vehicle stops on the track during practice or an event, please try to park it in a safe spot and retire over the safety fence until the conclusion of the event. Then return immediately to your vehicle to assist the recovery crew. If you are being towed, full safety gear must be worn including helmet.
17. **Paddock Area** - Please study the diagram (not to scale) of the paddock area and note the separate area for motorcycles. Please do not infringe into their area. You must also ensure that they have easy access to the marshalling area when they are conducting their events.
18. **Regularity Drivers** – Are reminded that the Clerk of Course will have special instructions at the drivers briefing regarding the rolling start and driving standards. Attendance at the drivers briefing is compulsory (0910 at the wheel alignment bay behind the Shell fuel depot]. Regularity Drivers are requested to wear their driving suits, if they have one and if not a boiler suit. Wool or cotton clothing must cover the body from ankles to wrist and neck. Appropriate non synthetic footwear is required.
19. **Regularity Times** - In the interest of safety no competitor will be allowed to nominate a time faster than 1 minute 25 seconds and no slower than 2 minutes. At the discretion of the Clerk of Course, any driver exceeding these imposed limited will be black flagged and referred to the Clerk of Course.
20. **Regularity Vehicles** - All Regularity vehicles must have blue triangles to indicate location of battery or cut off switch. Advertising on vehicles is not permitted and any such signs must be removed or covered.
21. **130% Rule** - During the meeting, it may be deemed necessary to grid certain competitors outside their normal categories due to speed differentials. Any such changes will be individually notified to affected drivers.
22. **Grid Limits** - Grid limited for events are - racing 36, groups Q&R 29, regularity 45.
23. **Security** - Security guards will be on duty throughout Friday night and Saturday night. Gates will close at 6.30 pm each night and open at 7.00 am the next morning.
24. **Parade Laps - for “Invited Cars”** – Will take place on the Sunday afternoon. This activity will be conducted under CAMS guidelines for demonstrations, parades and other non-racing laps at race circuits.
25. **Circuit Opening Times** - Pit area set up is not permitted until after 3.00 pm on Thursday 22nd as the circuit has been hired for other use. Please do not arrive earlier than 3.00 pm. Gates will open on Friday morning at 8 am, Saturday & Sunday mornings at 7.00 am and close each night at 6.30 pm.

Competition vehicle engines are not permitted to be started prior to 8.00am or after 6.30 pm

26. **Catering** - Any group or individual contemplating team catering are required to contact Heather Wallace at the Winton Motor Raceway office (03 5766 4235) prior to the event to ensure compliance with Local Council Ordinance and O. H & S requirements.
27. **Vehicle Numbers** - No competing vehicle shall be driven to or from the meeting or during the meeting on roads outside the circuit unless the numbers have been removed or effectively covered.
28. **Sump Plugs** - All plugs permitting the release of lubricants must be wire-locked in the tightened position (sump, gearbox and differentials). Alternatively, these plugs may be tightened under the scrutiny of the scrutineers.
29. **Provisional Times & Results** - Will be displayed on the notice board near the 'sign on' area as soon as possible after each event. Copies of provisional results will be available on the day and confirmed results will be mailed to each entrant.
30. **Safety in Paddock Area** - As the safety of all competitors, pit crews, officials and other persons is paramount. All vehicles must travel through the paddock area at walking pace. Any competitor detected driving in an unsafe manner within the paddock areas will be excluded from the meeting.
31. **Smoking** - Is not permitted in the garages, car ports, marquees, in dummy grid or any building that is used as part of the race meeting.
32. **Gas BBQ** - And other naked flames are prohibited in pit bay areas, car ports and garages.
(Please set up BBQ's in an alternative safe area)
33. **Fuel** – Due to O.H & S requirements, the storage of fuel in each paddock bay is restricted to a maximum of 2 x 20 litre steel containers (or other approved containers - AS2906).
The BP fuel depot at the circuit will be open each day between 8.30am and 5.00pm where the following fuels will be available – ULP, JFP105 Octane UL, Avgas, BP Ultimate. However, competitors who are permitted to use other fuels will need to bring their own. Purchases of leaded racing fuel (RF100) will require presentation of a valid Fuel Purchase Passbook issued by CAMS or other relevant authority permitted by Environment Australia to issue Fuel Purchase Passbooks.
34. **Re-fuelling** – Re-fuelling should preferably be done at the designated fuel depot and re-fuelling of vehicles in any other area than in the fuel depot and paddock is strictly prohibited. Vehicles are to be moved to the aforementioned areas to refuel. A free standing fire extinguisher independent of the extinguisher already fitted to the vehicle must be on hand at all times during re-fuelling.
35. **Engine Curfew** - Race engines are not permitted to be started before 8.00 am or after 6.30pm.
36. **Tents & Marquees** - May only be erected in the paddock at the discretion of the Paddock Marshall this will be strictly enforced (please remember that space is limited). Please also note that Winton Motor Raceway asks that you not drive pegs into the sealed surface. There will only be a limited number of drums of concrete to use as tie downs, you will need to bring something with you. Please note – no overnight camping is permitted in the paddock area.
37. **Camping** – Is restricted to the designated Winton Motor Raceway camping area (in the vicinity of the back straight). A camping fee is applicable and a “camping disclaimer form” must be signed (available from Winton Motor Raceway office). All camping fees must be paid directly to Winton Motor Raceway Staying overnight in any of the garages, carports, transporters or paddock area is not permitted during the period of the Meeting.
38. **Tender Vehicles & Trailers** - As in previous years there must be no tender vehicles or trailers in the paddock area. (each competitor may only use one vehicle space). All tender vehicles and trailers must be removed to the designated parking areas. See map enclosed with Further Regulations. Large trucks and transporters must be located in the area behind the new pit lane garages.
39. **Trophy presentation and sausage sizzle** – Will immediately follow the last event on Sunday at the Winton Motor Raceway Restaurant.
