35 Foster - Promontory Rd Foster 3960 (03) 5682 1169 **Melway 528 B10**

Observed Section Trials are intended to be strictly amateur status and involve the cars traversing marked sections (the number depending only on the time available) of muddy or slippery surfaces or tortuous, steep, or otherwise difficult terrain. The purpose of each competitor is to traverse the whole of each section non-stop from a standing start, without departing from the marked course or hitting any of the markers en route.
