750 Shield and Frank Walter trophy notes

For 2026 the committee has considered how to better involve regional club members in trophy competitions and support the associations we are a part of. It has been decided that points will be awarded for attending either the AOMC British & European Show or the AOMC Aussie Classic Car Show; if you attend both events you will only receive a score for one event with preference given to points counting toward the 750 Shield. Additionally, points will be awarded in the same manner for any one of the Federation Picnics.
